EXPRESS ASSUMPTION OF THE RISK AND RELEASE OF LIABILITY FORM

We, the undersigned, hereby express and affirmatively state that we wish for the undersigned child to participate in gymnastics and related activities including, but not limited to, tumbling, cheerleading, trampoline, martial arts/Ninja type activities, fitness exercise and dance. This includes practice, training, meet competition, conditioning events, clinics, camps, exhibitions, parties, fundraiser events and contests.

We realize that B & B Gymnastics Center (hereafter "B&B") is a professional learning school, not a recreational facility. We fully understand and acknowledge the following:

1. The nature of gymnastics involves jumping, twisting, flipping, landing, etc. and as such there is a risk of injury inherent to the sport;
2. Fractures, ligament and cartilage tears, serious head and neck injuries leading to death, permanent brain damage and quadriplegia are rare; but do occur in gymnastics;
3. In order to minimize the risk of injury during participation and maintain a safe learning environment, rules and regulations are established and must be followed by everyone. Parents should make their children aware of the possibility of injury and encourage their children to follow all safety rules and the coaches' instructions.
4. The risk of injury and aggravation of injury and other risks may adversely affect the participants' present and future state of health, present and future achievement and opportunities in athletics and otherwise, and present and future vocational employment opportunities.

Knowing and understanding all the risks, including those mentioned herein, which we realize are not all inclusive, it is our desire that the undersigned participant proceed to participate in gymnastics and gymnastics related events despite the risk of possibility of injuries.

B&B Gymnastics Center, its coaches and other staff members, will not accept responsibility for injuries sustained by any student during the course of gymnastics, tumbling, dance, martial arts/Ninja-type activities, cheerleading instruction, parties, open workouts, or in the course of any exhibition, competition, or clinic in which he or she may participate or while traveling to or from the event.

With the above in mind, and being fully aware of the risks and possibility of injury involved, I consent to have my child or children participate in the programs offered by B & B. I, my executors or other representatives, waive and release all rights and claims for damages that I or my child may have against B & B, its owners, employees or other representatives, whether paid or volunteer.

In the event that the undersigned participant ever attempts to disaffirm or set aside this agreement, or institute any claims or suit against the parties hereby released, the undersigned parents and/or guardians shall indemnify, defend and hold these parties hereby released absolutely harmless from and against any and all such claims, suits, causes of actions, demands, damages, monies, costs, fees, expenses, attorney fees and judgments, which may be sought or obtained by said athlete against the parties hereby released.

I also affirm that I now have and will continue to provide proper hospitalization, health and accident insurance coverage, which I consider adequate for both my child's protection and my own protection.

We have had the opportunity to ask questions and fully understand and appreciate the legal effect of signing this document. It is our specific understanding by signing this document, we will be giving up our right to hold any party hereby released responsible for any liability for any cause for any present, past, of future harm to the undersigned participant.

PHOTO/VIDEO RELEASE:

- I grant consent for my child's photo/video to be taken while participating in activities at B&B Gymnastics, and I authorize B&B to use their image, whether in photo, video or audio form for use in various informational, promotional, and advertising efforts.
- I do NOT grant consent for my child's photo/video to be used in any form.
